

*****Parking Place Painting Procedures*****

Any student that drives may paint their parking spot for \$40 dollars which will include paying for your parking pass. All spots will be chosen on a first come, first serve basis upon payment. All proceeds will go to class accounts. See Form for Available Spots. Reserve/Pay for your spot in the main office with the secretaries.

- 1.) Use Chalk in your paint area creating a 12 inch border from all parking lines and 12 inches from the bottom of the space. (As well as curb if you are in the front row.)
- 2.) Paint with any household Interior or Exterior paint - latex works best for durability. ***ONLY WATER BASED PAINTS***. If you want your space to look good in March, USE LATEX paint. **SPRAY PAINT MAY NOT BE USED**.
- 3.) Do not paint on any curb that is attached to your space.
- 4.) Make sure whatever you paint is **SCHOOL APPROPRIATE**. If it isn't, GHS will paint over your spot in black and it will remain black for the remainder of the school year. (**No Refunds**)
- 5.) Please take care of all your painting supplies when you are done - do not leave any trash in the parking lot, and do not use the school restrooms for paint cleanup.
- 6.) If you create a barrier to keep cars out of your spot while it dries - do not use paint cans - and return within a few hours to pick up your barrier.
- 7.) If you make a mess - CLEAN IT UP!

It is imperative that these rules are followed for this new tradition to be a success.

Painting Dates will be:
