

Welcome to Geneva High School! We wish you success and enjoyment here as you pursue another goal in life.

The purpose of this booklet is to provide information which serves as a guide in providing facts about school rules, regulations, policies, programs and services. BOTH STUDENTS AND PARENTS ARE URGED TO READ ALL INFORMATION SO MISUNDERSTANDINGS MAY BE AVOIDED.

Obviously not everything can be covered in this document. Students are urged to ask teachers, counselors and administrators for clarification.

The best intention of any document is meaningless unless PEOPLE make it work. Acceptance by all students is needed in order for GHS to continue to have a positive learning environment.

All of us, students and faculty, are proud of Geneva. A sincere effort by each will assure continued success.

***As we stand here at your portals
So wide and so high,
Singing loud your hymns and praises
'Til they reach the sky.
Hail, all hail our Alma Mater!
Raise your voices high.
Hail, to thee, our Alma Mater!
Hail, Geneva High!***

MISSION STATEMENT

The mission of Geneva High School is to nurture social skills, academic excellence and values enabling students to become responsible, compassionate citizens with lifelong understandings of the arts, science and humanities.

CODE OF CONDUCT

A major component of the education program at Geneva High School is to prepare students to become responsible citizens by learning how to conduct themselves properly and in accordance with established standards. Students are expected to behave in accordance with Federal, State and local laws and rules, Board policies and Administrative Guidelines, and in a way that respect the rights and safety of other. Staff will take corrective action to discipline a student and/or to modify the student's behavior when such behavior does not fall within these parameters.

School staff may report suspected criminal misconduct by a student to law enforcement. Law enforcement officers will be permitted to carry out necessary law enforcement functions in the schools, including the removal of a student from school grounds in appropriate circumstances.

Expected Behaviors – Students are expected to:

- ✓ Act courteous to adults and fellow students;
- ✓ Be prompt to school and attentive in class;
- ✓ Work cooperatively with others when involved in accomplishing a common goal regardless of the other's ability, gender race, or ethnic background;
- ✓ Complete assigned tasks on time and as directed;
- ✓ Help maintain a school environment that is safe, friendly, and productive;
- ✓ Act at all times in a manner that reflects pride in self, family, and in our school.

EQUAL EDUCATION OPPORTUNITY

The Geneva Area City Schools provide an educational opportunity for all students.

Any person who believes that he/she has been discriminated against on the basis of his/her race, color, disability, religion, gender or national origin while at school or a school activity should immediately contact the high school principal.

OPEN ENROLLMENT

Open Enrollment opportunities exist only between May 1st and May 31st. Student applications will not be accepted at any other time, except those students who are currently enrolled in the Geneva Area City Schools and move out of the district, after the start of the school year may apply for Inter-District Open Enrollment at that time.

Forms may be picked up at our Central Administration Office located at 135 South Eagle St., Geneva or call 466-4831, ext. 154.

ENROLLING IN THE SCHOOL

In general, State law requires students to enroll in the school district in which their parent or legal guardian resides unless enrolling under the District's open enrollment policy.

New students under the age of 18 must be enrolled by their parent or legal guardian. When enrolling, parents must provide copies of the following:

- A birth certificate or a passport
- Court papers allocating parental rights and responsibilities, or custody (if appropriate)
- Proof of residency
- Proof of immunizations
- Social Security Card

A student who has been suspended or expelled by another public school in Ohio may be temporarily denied admission to the District's schools during the period of suspension or expulsion even if that student would otherwise be entitled to attend school in the District. Likewise, a student who has been expelled otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not yet expired, may be temporarily denied admission to the District's school during the period of expulsion or removal until the expiration of the period of expulsion or removal which the student would have received in the District had the student committed the offense while enrolled in the District.

WITHDRAWAL/TRANSFER FROM SCHOOL

The guidance office must be notified if a student intends to withdraw from school. The student will be given an office withdrawal form to be signed by each of his/her teachers (including the librarian and the athletic director), which will show that all books/materials/equipment/uniforms have been returned and fees paid. Parent/guardian signature is required on the withdrawal form. No transcripts/records will be released until all obligations are fulfilled.

No student under the age of 18 is allowed to withdraw from school without the written consent of his/her parents and in compliance with State Law.

SCHEDULING AND ASSIGNMENTS

Schedules are provided to each student at the beginning of the school year or upon enrollment. Schedules are based on the student's needs and available class space. Any changes in a student's schedule should be handled through the Guidance Office. Students may be denied course enrollment due to a lack of available space or the need for the student to pass prerequisite courses. Students are expected to follow their schedules.

SCHOOL ASSIGNED TEXTBOOKS/MATERIALS

Each student is responsible for books issued and will be required to pay for any books damaged, lost or stolen.

If a student withdraws from school, it is his/her responsibility to return these books to the teachers who issued them. No grades/transcripts/records will be forwarded for a withdrawn student until all obligations to Geneva High School are met.

All books or articles found should be taken to the office immediately.

School assigned books or other materials, whether lost or stolen, remain the responsibility of the student to whom the book or material was originally assigned.

ACADEMIC PROGRESS

Grading Procedures/Grade Reporting

Report cards are issued at the end of each grade period. Each student is expected to take his/her report card home for examination by parents/guardians. If there are questions about the grades, the teacher or

teachers involved should be contacted.

Parent-teacher conferences are held four times each year. Interim reports may be requested by the faculty or parents/guardians.

Progress reports for those who are failing a course will be issued by individual teacher's midway through each grading period. Following the end of the first semester, parents/guardians of students who are in danger of failing the term in any course or courses are notified by letter from the guidance dept.

Grades used at the secondary school are		A
Excellent	90 - 100	
Good	80 - 89	B
Average	70 - 79	C
Poor	60 - 69	D
Failing	59 - Below	F
Incomplete		I

Information on other factors of grading will be provided by individual classroom teachers.

GRADUATION REQUIREMENTS

The Geneva Area City Schools Board of Education requires at least 21 credits for graduation from Geneva High School. This is a minimum requirement and students shall be encouraged to exceed the minimum. All portions of the Ohio Graduation Tests must be passed.

Students attending the Ashtabula County Joint Vocational School may have some requirements waived or altered if their curriculum dictates.

Specific information pertaining to graduation, scheduling, credits, etc. may be obtained through the GHS Guidance Office and/or the Course Description Book.

HOMEWORK

Homework will be assigned. Student grades will reflect the completion of all work, including outside assignment. Homework is also part of the student's preparation for the assessment tests and graduation.

ABSENCE PROCEDURES

On each morning of an absence, the student's parent or guardian must telephone the school (466-4831, ext. 425 or "O") and give a reason for the child's absence. If a call is not received, the school will call or send a post card. Note: If a student is late arriving at school, she/he must report to the School office before going to his/her first assigned location. A student arriving after 7:25 a.m. or not in his/her 1st period class will be considered tardy and is expected to have a note for the tardy.

A written excuse or medical excuse should be given by the parent/guardian upon the student's return to school. Geneva High School issues a admit pass after a student has been absent which indicates excused and unexcused absences.

ATTENDANCE

The Geneva Area City Schools Board of Education believes that regular attendance leads to high academic achievement. Class attendance is the primary responsibility of the student and parents or guardian.

The laws statues governing school attendance in Ohio are specific and leave little option for school authorities to excuse children from school. The following constitutes reason for excused absences from school. (The detailed reasons for these are described in the Student Code of Conduct Rules)

1. Personal Illness
2. Illness in the family
3. Quarantine of the home
4. Death of a relative
5. Student needed at home due to absence or incapacities of parent/guardian
6. Observation of religious holidays
7. Emergency

Unexcused absences will result in no credit for the day.

EARLY DISMISSAL

No student may leave school prior to dismissal time without a parent or guardian either **submitting a signed written request or personally coming to the School Office** to request the release. No student will be released to a person other than a custodial parent(s) or guardian without a written permission note signed by the custodial parent (s) or guardian.

TRUANCY

Unexcused absence from school (truancy) is not acceptable. Students who are truant will receive no credit for school work that is missed. A student will be considered habitually truant if the student is absent without a legitimate excuse for 4 or more consecutive school days, for 7 or more school days in a month, or 10 or more school days in 1 year. Furthermore, a student will be considered chronically truant if the student is absent without a legitimate excuse for 5 or more consecutive school days, for 12 or more school days in 1 month, or 10 or more school days in 1 school year.

VACATIONS

It is recommended that parents not take their child out of school for vacations. When a family vacation must be scheduled during the school year, the parents should discuss the matter with the Principal to make necessary arrangements. It may be possible for the student to receive certain assignments that may be completed during the trip. **A written request for absence should be made at least one week prior to leaving. If the request is not made one week prior the student may be in jeopardy of receiving zeros for missed work.**

EMERGENCY MEDICAL AUTHORIZATION

A complete Emergency Medical Authorization Form must be on file with the School in order for a student to participate in any activity off school grounds, including field trips, spectator trips, athletic and other extracurricular activities, and co-curricular activities.

STUDENT MEDICATION POLICY

Parental Release and Consent Form for Dispensing Medication

Parents are advised to give medication that is on a six-hour schedule at home. Medication on a four-hour schedule will be dispensed one time during school hours. When it is necessary that **prescribed** medication be given during school hours, the following regulations must be followed:

- Medication must be ordered/advised by physician/dentist and permission granted to the school nurse to contact physician/dentist if necessary.
- Medication must be brought to school by parent/guardian in original container with appropriate label intact, with the date, students name and the exact dosage to be administered. (Secondary students may bring necessary medication to the school nurse at the beginning of the school day.) Medication must be kept in the locked medicine area of the school clinic or office.

- A completed medication authorization form must be signed by both the physician/dentist and the parent/guardian and be on file in the school office.
- **Only prescription medication will be dispensed. If medication is not properly labeled, it will not be given.**
- Any unused medication unclaimed by the parent will be destroyed by school personnel when a prescription is no longer to be administered or at the end of a school year.
- The nurse will maintain a log noting the personnel designated to administer medication, as well as the date and time of day that administration is required.

No staff member will dispense **nonprescribed**, over-the-counter medication to any student without prior parent authorization.

Any student who distributes medication of any kind or who is found in possession of any medication is in violation of the School's Code of Conduct and will be disciplined in accordance with the drug-use provision of the code.

Parental Release & Consent form, from the nurse, for dispensing medication must be followed when taking prescription medications at school.

BLOOD-BORNE PATHOGENS

The school district seeks to provide a safe educational environment for students and takes appropriate measures to protect those students who may be exposed to blood-borne pathogens in the school environment and/or during their participation in school-related activities.

Whenever a student has contact with blood or other potentially infectious material, he/she must immediately notify his/her teacher, the office/nurse will assist the student in completing the required documents.

IMMUNIZATIONS

Students must be current with all immunizations required by law or have an authorized waiver from State immunization requirements. For the safety of all students, the school principal may remove a student from school or establish a deadline for meeting State requirements if a student does not have the necessary immunization or authorized waiver. Any questions about immunizations or waivers should be directed to the building principal.

INDIVIDUALS WITH DISABILITIES

The Americans with Disability Act (A.D.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but to all individuals who have access to the District's programs and facilities.

A student can access special education services through the proper procedures. Parent involvement in this procedure is important and required by Federal (IDEA) and State law. Contact Special Education Coordinator to inquire about evaluation procedures and programs.

STUDENT'S RIGHTS AND RESPONSIBILITIES

PURPOSE: Effective discipline is an important and necessary requirement for effective learning. Students attend Geneva High School under the direction of state law. The intent of these rules and regulations is to create a positive educational environment which holds students accountable for their behavior and teaches them to live with the consequences of their decisions and actions. Students have the responsibility for the necessary respect for the rights of others and the necessary protection of the safety, welfare, and educational rights of our students.

The Right to Confidentiality: Under Ohio law, school authorities are required to maintain many kinds of records. These include the student's name, birth date, age, place of residence, names of parents, date of entry and withdrawal, attendance, courses taken and quality of work done. School authorities, therefore, in the valid

exercise of their duties, often collect and store confidential types of information which, if placed in the wrong hands or kept out of the right hands, may do harm to the students. Administrators, therefore, assume an obligation to protect students in this regard.

In compliance with the Federal Family Rights and Privacy Act of 1974, and the board-adopted policy on student records, school officials will not release any information to persons or agencies not officially connected with the school itself without prior written consent of the parents or the student if he/she is 18. The law provides some exceptions to the practice. Directory information or pictures of students taken by the press may be released without permission in certain instances except when individual parents specifically request that this information not be released regarding their child.

The Right to Due Process: It is generally accepted today that students are entitled to due process when they are subjected to major disciplinary action. Due process in the context of administrative proceedings carried out by the school authorities does not mean that the procedures used by courts in juvenile proceedings must be followed exactly by school authorities when engaged in disciplinary proceedings. It does mean that clear, definite and fundamentally fair rules of procedure must govern disciplinary action taken by the school authorities. Such a procedure is necessary to guarantee that a student will not be deprived of something as fundamentally important as school attendance without substantial and just cause.

To ensure that the student receives due process, the disciplinary codes which students are expected to follow as part of their responsibility in response to the rights enumerated above, as well as the disciplinary actions followed by school personnel, are outlined in subsequent portions of this document.

The Right to Shared Responsibilities: The conduct of students in school and at school activities is a joint responsibility of the student, the parent and the school. The school will make and enforce rules and regulations concerning the conduct of students at officially sanctioned school activities. Parents should accept full responsibility for the conduct of their children once the children are outside the scope of authority of school officials.

Students shall accept full responsibility for their conduct at all times and ALL students, adult and minor, shall abide by the rules and regulations defined in the student handbook for each building.

SPORTS ELIGIBILITY

Geneva High School provides a variety of athletic activities in which students may participate provided they meet eligibility requirements established by the Board and by the Ohio High School Athletic Association (OHSAA). Participation in these activities is a privilege and not a right, and students may be prohibited from all or part of their participation in such activities by authorized school personnel without further notice, hearing and/or appeal rights in accordance with Board Policy.

Students enrolled in the Geneva Area City District in grades 9-12 must meet the following requirements to participate in interscholastic extra-curricular activities:

1. Students in grades 9-12 must maintain at least a 1.5 GPA to participate in an interscholastic extra-curricular activity. The GPA will be determined by the preceding nine week grading period.
2. Students in grades 9-12 who receive a failing grade are permitted to participate in interscholastic extra-curricular activities provided they meet the minimum GPA and OHSAA requirements of five credits

STUDENT PLANNER

Each student is responsible to have the Student Planner in his/her possession during the school day.

Students are not permitted in the hallways without a teacher's signature in the Hall Pass section of the planner.

A lost or stolen planner will result in the student purchasing a new planner for \$5.00.

STUDENT FUND-RAISING

Students participating in school-sponsored groups and activities may solicit funds from other students, staff members, and members of the community in accordance with school guidelines. The following general rules apply to all fund-raisers:

- Students involved in the fund-raiser must not interfere with students participating in other activities when soliciting funds.
- Students may not participate in a fund-raising activity for a group in which they are not members without the approval of the students' advisor.
- Students may not participate in fund-raising activities off school property without proper supervision by approved staff or other adults.
- Students may not participate in a fund-raising activity conducted by a parent group, booster club, or community organization on school property without the approval of the principal.

Students may not sell any item or service in school without the prior approval of the principal. Violation of this policy may lead to disciplinary action. Students are responsible for any lost or stolen money and/or merchandise.

STUDENT VALUABLES

Students should not bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, etc., are tempting targets for theft and extortion. **The school will not be liable for any lost, stolen or damaged valuables.**

LUNCH REGULATIONS

In order to obtain the best and quickest possible service, cafeteria rules must be followed. Abuse of regulations may result in loss of cafeteria privileges and/or disciplinary action.

- All students will eat in the cafeteria area at the cafeteria tables. Leaving the school grounds is strictly prohibited.
- Food is not to be taken out of the cafeteria.
- No cutting in line.
- Students are expected to be orderly, quiet and polite. Students must be seated at a table.
- Students are responsible for seeing that the table and chairs are clean and in place, and all garbage and trash is placed in waste containers, and cafeteria trays are taken to the dishwashing area.
- All lunch period times are to be spent in the cafeteria area.
- Use restrooms in the cafeteria area only.

Faculty or administration permission is required to be in other areas of the building and parking lot.

Applications for the districts Free and Reduced-Priced Meal program are distributed to all students. If a student does not receive an application form

and believes she/he is eligible, contact the Director of Food Service,

466-4831 ext. 189.

Geneva Area City Schools District provides Internet services to its students. The District's Internet system is limited to educational purposes, and has not been established as a public access service or a public forum. Student use of the District's computers, network and Internet services/connection (Network) are governed by the Acceptable Use Policy located on the district website. Any student utilizing the district technology is bound by the district AUP. Users have a limited privacy expectation in the content of their files and records of their online activity while on the Network.

ZERO TOLERANCE

Students are expected to conduct themselves in such a way that they respect and consider the rights of others. Students of the district must conform to school regulations and accept directions from authorized school personnel. The Board has "zero tolerance" of violent, disruptive or inappropriate behavior by its students.

A student who fails to comply with established school rules or with reasonable request made by school personnel on school property and/or at school related events is subject to approved student discipline regulations.

2. The parent or guardian shall be informed in writing of the suspension and the reasons for the proposed action. 3. Suspensions shall not exceed ten consecutive school days for occurrence.

EXPULSION PROCESS

1. A student may be expelled for a period not to exceed eighty school days by the superintendent of schools except as otherwise required by law.
2. The student and his/her parent or guardian shall be given written notice by the principal stating his intention to recommend expulsion. A copy of this notice shall also be sent to the superintendent and treasurer. The notice shall include: the reasons for the intended expulsion, and the right of student, parent, or other representatives to appear in person before the superintendent to challenge the reasons for the expulsion. The notice shall also include the place and time of the hearing which shall take place no earlier than three days and no later than five days after the notice is sent, unless an extension is granted by the superintendent.
3. Within twenty-four hours of the expulsion, the superintendent shall notify the parent or guardian of the student, with a copy to the treasurer, of the decision to expel. The notice shall include the reasons for the expulsion; the right of the student, parent, or guardian to appeal to the president of The Board of Education; the right to be represented at the appeal; and to request the hearing to be held in executive session.

APPEAL PROCESS TO THE BOARD OF EDUCATION

1. The date and time of the Appeal Hearing shall be set at the discretion of the president of the Board of Education. The hearing shall be held in executive session.
2. A verbatim record of the hearing shall be kept; therefore, the proceedings will be tape recorded.
3. The Board of Education shall take formal public action to affirm, vacate, or modify the expulsion in public session.

PERMANENT EXCLUSION

The board may seek the permanent exclusion of a student 16 years of age or older who is either convicted in criminal court or adjudicated delinquent by a juvenile court of any of the following offenses that occur on school grounds or at a school function.

1. Illegal conveyance or possession of a deadly weapon or dangerous ordinance, carrying a concealed weapon, aggravated trafficking, trafficking in drugs, trafficking involving the possession of bulk amount of a controlled substance or the sale of a controlled substance.
2. Aggravated murder, murder, voluntary or involuntary manslaughter, felonious or aggravated assault, rape, gross sexual imposition or felonious sexual penetration.

In addition, complicity in any of the above acts, whether or not that complicity takes place on school grounds or at any school function, may also be the basis for permanent exclusion.

FIRE, TORNADO, AND SAFETY DRILLS

Geneva High School complies with all fire safety laws and will conduct fire drills in accordance with State law. Geneva High School conducts tornado drills during the tornado season following procedures prescribed by the State.

Teachers will provide specific instruction on how to proceed in the case of fire or tornado and will oversee the safe, prompt, and orderly evacuation of the building in such cases.

Safety drills will be conducted as mandated by State Law. Teachers will provide specific instruction on the appropriate procedures to follow in situations where students must be secured in their building rather than evacuated. These situations can include a terrorist threat, a person in possession of a deadly weapon on school property, or other acts of violence.

PRINCIPAL'S RESPONSIBILITIES

Within the first two weeks of the school year, class meetings shall be conducted by the principals for grades 9, 10, 11, and 12. Each student in the High School shall be provided with a personal copy of the "GENEVA SENIOR HIGH SCHOOL STUDENT CONDUCT CODE". Student policies, rules, and regulations and disciplinary measures shall be explained to all students. Students shall be informed that they are subject to the following disciplinary actions for violation of the student conduct code.

9. Other disciplinary measures as deemed necessary and appropriate to maintain the orderly operation of the educational processes of the school.

PARENTS INVOLVEMENT IN EDUCATION

The Board believes that parent/guardian involvement is an important part of the educational program. Current research indicates that home-school partnership and greater involvement on the part of the parents/guardians in the education of their children generally results in high achievement scores, improved student behavior and reduced absenteeism.

All parent/guardians of students enrolled in the district are encouraged to take an active role in the education of their children.

The Board directs the administration to develop the necessary regulations to ensure that this policy is followed and that parent/guardian involvement is encouraged. The regulations will:

1. Encourage strong home school partnerships
2. Provide for consistent and effective communications between the parents/guardians and school officials
3. Offer parents/guardians ways to assist and encourage their children to do their best
4. Offer ways parents/guardians can support classroom learning activities.
5. Provide opportunities for parents/guardians to be involved in the parental involvement program.

EMERGENCY CLOSING

If the school must be closed because of inclement weather or other conditions, the school will notify the following radio and television stations:

Channels 3, 5, 8
